

We are an essential partner in your whole team's success.

Take part in a Firm Membership providing full access to GWSCPA's resources and community to all of your professional staff for one deeply discounted annual fee.

Go beyond CPE compliance to truly develop your professionals and further your firm's success in this specific market.

- One complimentary enrollment in our DeBoe Leadership Program and discounts on 2nd
- Nonprofit, Gov Con and emerging industries: we focus on topics that matter in the DMV
- Professional Issues Updates complimentary and tailored to your interest areas
- In-house CPE courses - you choose any topic and we will bring the best to your office
- Quarterly leadership development courses available to your staff free of charge
- Engaging in the Society develops your team's "soft skills" as no formal training ever could

We live and work within a center of influence. But expertise is not enough-connections matter. Our Firm Members are at the center of our community.

- Visibility on GWSCPA website via "Find A CPA", and in our Connect online community
- Promotion of your firm's programs and announcements via website and social media
- Work on committees and projects hand in hand with our many leading industry members

Firm members lead this Society, and with our support, this community and this profession.

- Your DeBoe candidate leaves prepared to lead not just in your firm, but in the GWSCPA, the wider community and the profession
- Firm Members are sought for GWSCPA committee leadership positions and to represent us locally and nationally
- Firm members lead this Society, and with our support, this community and this profession
