

GWSCPA is excited to announce a brand new event, the Technology Showcase. This one day, entirely virtual event will be held June 8, 2023. Developed by the CFO/Controller Roundtable of the GWSCPA, this event will offer some practical panel discussions on technology issues facing industry leaders every day-implementation struggles, building your tech stack for efficiency, etc and will explore new options through peer discussions and software demonstrations.

Gold Sponsors: \$5,000 (3 available)
